

Dedication Page change for GA Sharing Recovery Through Gamblers Anonymous

Honoring and Remembering Jeanne B on the Dedication page of the "GA Sharing Recovery Through Gamblers Anonymous" for contributions to the the 2023 Edition

Former Trustee Jeanne B from Minnesota, who passed away in June of 2026, spent over four years as the Chair of the now disbanded Blue Book Committee. She presided over dozens of meetings and held the Committee together through a long and arduous process that at times, when she gave her reports at the Board of Trustees meetings, became contentious. At one point she and some other members of the Committee considered forgoing the process when it appeared some of the changes and additions the Committee was recommending for approval to the new edition were met with resistance at the Board of Trustees Meetings. Through it all Jeanne persevered and the new edition of the "GA Sharing Recovery Through Gamblers Anonymous" was finally approved.

Her contributions to the 2023 edition of "GA Sharing Recovery Through Gamblers Anonymous" and to what many feel is the finest piece of Literature Gamblers Anonymous has ever produced, should not be forgotten and should be recognized to those of us in the rooms today, and those yet to come. This agenda item asks that the Dedication page be changed.
