

## Guidance Code - Electing Regents From Any Area

---

84

Guidance Code, Article XIII, Section 2

Current Version: Regents should be elected from the area within the Fellowship who are within reasonable traveling distance from the International Service Office (I.S.O.), so that they may be able to attend every meeting and be available on immediate notice for any emergency meetings which may become necessary.

Proposed Version: The Board of Regents should be elected from within the fellowship of Gamblers Anonymous.
