## 1. NY Intergroup Mini-Conference

I want to thank and congratulate our friends of NYIG for the excellent job they did hosting the virtual mini-conference on January 31st. It was obvious that a lot of effort went into putting it together. It is nice to have the expertise available to present something virtual. I hope that more intergroups/areas will host another in the future.

Also, I would hope that if another one is planned by anyone, it would be advertised at least in our Life Line Bulletin.

Once again, thank you, New York friends. God bless you.

Your friend in recovery,

John B. – Trustee – Area 13 – Pennsylvania

## 2. Plans for Trustee Meetings

Feb. 9, 2021 – 1:00pm

Could you please provide an update of what plans may be in place for a Trustee meeting. We have not heard anything from ISO, the Board of Regents or the Board of Trustees in months, other than normal business. Communication is the key to maintaining the flow of information.

Have spoken with numerous trustees and all have expressed the same desire for updates.

I too am hoping to hear soon the decision re: the Spring 2021 Meeting. Trustee travel and meeting expenses are a significant portion of our area's Intergroup budget.

Locally, we are having discussions on how to be fiscally prudent and still do all we can to serve our area. As in many areas, member and meeting contributions have been affected due to the

Pandemic. I would hope to have information on our Trustee meeting decision as we form our budget.

As a newly elected Trustee I also recognize time is needed to review the many agenda items that have been waiting to be addressed since 2019 and also important items that need to be looked at such as how to reach newcomers and connect in what has shifted to an increasing virtual world.
