### Thoughts From The Trustees – Current and Past

---

**Disclaimer – The Trustee Line is a function of the Board of Trustees of Gamblers Anonymous. It is intended solely as a forum for members of the Board of Trustees to share opinions on issues related to Gamblers Anonymous. Any postings in this or any other edition of the Trustee Line are not to be construed as the opinion of Gamblers Anonymous, as a whole. The publication of any items on the Trustee Line does not constitute an endorsement or statement of approval or acknowledgment by Gamblers Anonymous of what the contents are.**

---

The subjects listed below are themes that have been submitted by other Trustees. You may respond to any of them, or start an entirely new subject

Subjects that receive submissions from at least 13 different people, will trigger an email blast to all the current and past Trustees, signifying a ‘Hot Topic Alert’ on the Trustee Line.

## 1. Georgia Meeting

---

July 11, 2020 – 10:49pm

I received a hotline call from someone in Riverdale Georgia. Are the meetings listed on the ISO website open during the virus?

This person needs help and I'm sending her some GA literature. She's also calls the meeting conference calls. I'd also like to give her a contact near her home to give her some support.

If anyone knows someone in her area please contact me. My info is on the Trustee list. Our primary goal is to help the gambler who is suffering. I sure hope someone reads this and gets back to me.

Your sister in recovery.

## 2. Recognizing Milestones

---

July 12, 2020 – 11:51pm

We are trying to find a way to recognize all the milestones that individuals have celebrated since The end of January thru July. We have a website that also has a section for members only. We were wondering if we put a video in this section that has to have a password to access it, would that be appropriate or would it be better to have just a testimony on paper from each person? I know that if we put it on the website for anyone to see it would be breaking anonymity. However if it is password protected would we still be breaking anonymity.

Your help please.
