## 1. Trustee Vacancies

---

August 10, 2020 – 10:03am

I just looked at the latest Confidential Listing of Trustees. I noticed that there are many vacancies (including entire areas). My question is: WHY?

Will there be enough trustees to conduct business if/when we have our meeting in May?

In response to Stuart's question about trustee vacancies. Our Area , area 1, has always had their trustee positions filled as far back as I can remember, about 24 years. Due to corona virus most of our meetings were closed and we had to come up with a brand new procedure to have a fair election. In the past members would vote at their local meeting and the meetings would each have one vote at intergroup. For the first time we are doing a popular vote. We will have the results by September intergroup and then inform ISO.

I am not sure if this will be a one time vote, or we will implement this procedure for future elections. Only time will tell.
